Membership Terms and Conditions:

1. I give my consent for The East Belfast Oil Club Community Co-ordinator to contact various oil suppliers on my behalf to obtain what is in their opinion the best price in conjunction with delivery date. If prices match they will also take in to consideration other factor including supplier's customer service history and payment terms.
2. I agree that no responsibility is assumed by The East Belfast Oil Club for any injury and/or damage to persons or property as a matter of products' liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas detailed in any literature or websites from The East Belfast Oil Club or partner suppliers or their agents.
3. I agree that once I have placed an order by e-mail or via the community co-ordinator, it is binding.
4. I understand that The East Belfast Oil Club will not negotiate any other terms (such as payment arrangements) on my behalf and agree that neither The

East Belfast Oil Club, or any coordinator accept any responsibility for the settlement of individual accounts.

5. I understand that once The East Belfast Oil Club have placed an order with the chosen supplier then they disclaim any liability. Thereafter the contract for the supply of oil will solely be between the supplier and myself. I agree that neither The East Belfast Oil Club nor anyone acting on behalf of The East Belfast Oil Club will be held liable for any claims that may arise between me and any of the selected oil suppliers who supply me and me for any supply contract that I may take out with them and the invoicing/payment thereafter. This includes delivery, connection, access, billing and payments etc.
6. I agree that all payments of invoices must be made by me directly to the selected supplier and that I am responsible for ensuring I am aware of the payment terms specified by the supplier. Should The East Belfast Oil Club become aware of non-payment within suppliers terms, I accept that my membership of the scheme will be terminated.
7. I agree to keep my oil tank in good condition and accept that oil companies have the right to refuse delivery if they consider my oil tank contravenes regulations relating to health and safety or to be a potential pollution hazard.
8. I understand that when I want to order fuel, it is my own responsibility to ensure that my order form is placed with the local co-ordinator before the deadline specified for the next month's order, and that neither The East Belfast Oil Club nor anyone acting on behalf of The East Belfast Oil Club will be held liable for any shortage of fuel or any

other problem I experience if I fail to meet the specified deadline.

9. I understand that it is my responsibility to inform The East Belfast Oil Club in writing of any change of address or contact details before any oil is ordered. Failure to do so means The East Belfast Oil Club cannot be held responsible for oil being sent to the wrong address and the customer would be liable for the payment to the oil supplier.
10. I understand that The East Belfast Oil Club may use my address details while carrying out 'mystery shopper' activity. This activity is carried out by The East Belfast Oil Club to check supplier baseline prices from which they can negotiate a good price from suppliers and provide members with an indication of the savings achieved.
11. I give permission for my details (name, address and telephone number etc.) to be given to the company that The East Belfast Oil Club has chosen to supply my heating oil for the purposes associated with the supply and delivery of oil as part of the scheme.

The East Belfast Oil Club has the right to refuse any application and change the terms and conditions at any time.
